Version Control	Tools	
Git, GitHub	Postman,Figma,GlassFishServer, Firebase,Jasper Report	

Education

M.Sc. Information Technology (Pursuing)

Hindusthan College of Arts & Science, Coimbatore Graduated: 2026

B.Sc. Information Technology

Hindusthan College of Arts & Science, Coimbatore Graduated: 2024

Projects

Expense Tracker Web Application

- Built a full-stack personal finance tracker with React.js, Tailwind CSS, Node.js, and MySQL, featuring a fully responsive dashboard with real-time analytics for income, expenses, and savings. Implemented secure CRUD operations, optimized API performance, and designed a clean UI for seamless user experience.
- Integrated dynamic data visualization to track spending patterns and generate category-wise expense reports, improving personal financial insights.

Hindusthan Edu Student Project Showcase Website

- Developed a React.js web platform for Hindusthan College to display student projects, featuring a responsive UI, optimized performance, and an organized project categorization system for easy navigation.
- Developed a responsive and modern interface, ensuring consistent performance and accessibility across desktops, tablets, and mobile devices.

HILARICAS

- Designed and developed a fully responsive website using HTML, CSS, and JavaScript
- Optimized website performance by improving asset loading, minifying CSS/JS, and following best coding practices
- Enhanced SEO and accessibility by structuring semantic HTML and optimizing meta tags
